Boards

A discussion took place re the Board on Market Hill to highlight Bawtry's Heritage. Bawtry Town Council have discussed improving current notice board on Market Hill, did we think it possible to share board with BTC, having decided that a grant was made to us for this it was unanimously agreed to go for a lectern style board dedicated solely to the Heritage.

It was decided it would be preferable to have a board that matched existing and future Bawtry Street Furniture. i.e. Welcome to Bawtry Signs

Board suppliers: Richard Young still sourcing prices for boards, Retford had sent photographs of their boards, but a preference was shown for the supplier who was responsible for BTC's boards.

It was decided in preference to waiting for future meetings three separate groups would investigate the feasibility of the following functions.

1. Location for a site on Market Hill for Board and planning application = Rachael Blake, Alan Claypole, John Hall.
2. Display for Board – John Hall. Alan Claypole, Margaret Byrne
3. Setting up display and computers in library - Sylvia Johnson, Derek Eldridge, John Hall, Margaret Byrne.
